ELIZABETH RIPPEY and BARBARA ROWLAND. 2004. **Coastal Plants: Perth and the South-West Region, Second Edition.** (ISBN 1-920694-05-6, pbk.). University of Western Australia Press, Crawley, Western Australia 6009, www.uwapress.uwa.edu.au (Orders: International Specialized Book Services, Inc., 920 NE 58th Avenue, Suite 300, Portland, OR 97213-3786, U.S.A.). \$26.95, 276 pp., b/w line drawings, color plates, 6 1/2" x 9 1/2".

From the Preface.—"Originally published in 1995 as *Plants of the Perth Coast and Islands*, this revised edition is more concise, but covers a wider area: the south-west coastline from Dongara to Dunsborough."

Descriptions for over 130 plant species are provided in a very nice layout. Each plant discussed includes: description, distribution (map), flowering period, clean b/w line drawings useful in identification, notes, and a color plate (water color painting by Elizabeth Rippey) on verso page. No keys are provided but otherwise this is a very nice book.—*Barney Lipscomb, Botanical Research Institute of Texas, 509 Pecan Street, Fort Worth, TX 76102-4060, U.S.A.*
